1. Mr. Top's vision/goal/dream wanted to be a young entrepreneur.
Because He wants to help pay off his family's debt.
2. He failed before reaching his vision/goal/dream 3 time:
 - Study
 - He give up studying at university because he failed exam to keep studying at university. So he didn't graduate university.
 - Business
 - The first time, he failed sell DVD device because he buy cheap DVD from a technical shop but all DVD is broken.
 - Second, he failed to start business sell Fried chestnut. He was stopped by security guards because smoke of Fried chestnut was stains on roof of market.
3. I learned from the movie to build my own self-leadership skills in order to achieve any my vision/dream:
 - Try hard with vision/dream that we were set
 - Don't give up
 - Learn new thing from other around us
 - Start step by step
 - More practice
 - Find new idea or new thing for achieve in vision/dream (mean don't try do what we did but it failed, Try do what it new but it in the same goal.)
 - Encourage self to go on
 - Have responsibility and confident on self
4. In my vision/goal/dream, I want to be a Businesswoman of Technology.
I will achieve by make a new Website or Mobile app that all people need to use it (international).
 - The principles (list 10) of self-leadership:
 - Learn from people around us what they need to use everyday
 - Find the problem that they feel difficult nowadays
 - Make team work that can reliable (4 or 5 people or more according to the project that we start together)
 - Explain team member about goal of project and share information together that get from society
 - Find solution and learn on risk that can influence on business in the future
 - Try hard more and more
 - Have motivation to team and myself
 - Have more confidence
 - Have more responsibility
 - Don't give up
