Dear Sir/Madam,

I am writing in response to your looking for Mobile Developer Internship.

It appears that my professional qualification and career interest very much in line with your requirement. I am now writing to apply this position. I think it is strongly compatible with my skill.

As you will see from the enclosed CV, I am studying Computer Science at National Institute of Posts, Telecoms & ICT.

At school I studied some subject such as java with OOP, Web Application, Mobile Application, Database management.

I have a volunteer per month is Cambodia ICT Volunteer 219 at Kompong Cham Province.

I do hope that you will consider my submission with your favor. In advance thanks you very much for your time and any consideration or support you will give me.

I am looking forward to hearing from you at your earliest convenience.

Faithfully your
